OUR EXPERTISE

All Brand & Business Incubator services are under one roof. We offer a scalable and turnkey solution while you maintain control of your US strategy.

One unique interlocutor taking care of all your US operations at a fraction of the cost of having your own subsidiary.

Concentrate on growing your business online and on the ground, knowing that the back-office operations in an unfamiliar environment are no longer a problem.

Kickstart your online sales on our platform.

THE BRAND & BUSINESS INCUBATOR ADVANTAGE

ONE-STOP SHOP FOR ALL YOUR US ACTIVITIES.

- * No need to incorporate a company in the US to start your commercial activity.
- * Minimized costs thanks to our shared platform of services.
- * No need to tie your organization in long-term lease obligations.
- * Minimized legal exposure to US labor and commercial liabilities.
- * Direct connection to US specific expertise that are difficult to access to foreign mid-sized companies.
- * No time difference constraints from your head office to your customers.
- * Geographically centralized location.
- * Lessened cultural barrier thanks to our multicultural team.

Brand & Business Incubator is your subsidiary, you maintain full control of all your commercial strategy and full access to all financial activities of your US entity.
